When you get back:

After camp, please write up a few paragraphs telling the church about your experience. We would like to know how camp has impacted your life and how you connected to God. Your church family has raised the funds for you to go to camp, so please make sure you thank them.

(We will include these and put them in the Chimes newsletter, so everyone can learn about your experience. You will also have the opportunity to present it to the congregation.)

Please email your write up to Rev. Mary at revmaryhagley@gmail.com. You could also send me some pictures so we can include those too. Have your write ups to me within 4 weeks of your return from camp, so then it will be fresh on your mind.

Thanks and have a wonderful camp experience!!!
