Wedding Application Information

Dixboro United Methodist Church would like to congratulate you on your upcoming marriage and welcome you to our building. We are here to assist you in ensuring your ceremony runs smoothly, feel free to ask any questions you may have. Be sure to read the Dixboro Wedding Guide, which can be found online.

After you have completed this application and submitted the deposit of one half of the total fees, please contact your wedding clergy, and we will arrange times for wedding preparation classes. These classes will help the minister become better acquainted with you both, to help you better understand one another as a couple, as well as your plans and dreams for the future.

We also hope you will abide by our few rules, as we want this to be a mutually positive experience. We expect people using our building to act in a courteous Christian-like manner. No drinking of alcoholic beverages or smoking allowed in any area of the building, Village Green, or Brandon Park.

Once the date of the wedding has been confirmed, we will also provide you with the names and contact information of relevant people, should you have further questions about other aspects of the wedding ceremony or rehearsal.
